# OPPOSE A.C.C. DEVELOPMENT

In what will prove to be no surprise to insiders, but may come as a shock to the general public, opposition has been voiced to the proposed Antioch Country Club development.

Specifically, members of local school boards and school administrators have expressed their concern in regard to the effect the developments' increased school enrollment will have on the schools.

Fears have been raised that the increase in attendance may force the closing of the Emmons and Grass Lake schools. Both schools are badly over-crowded and nearly bankrupt.

A December 11th school board referendum intended to add classroom space at the Grass Lake school was defeated by nearly a 2-1 vote. The defeat of the referendum meant that no relief will be soon forthcoming.

According to some sources, the

added burden of students (between 200 and 400, over a ten year period) would put too great a strain on the already over-crowded schools and force them to consider consolidation with the Antioch Upper Grade School.

While the Upper Grade School is a new facility (being occupied approximately one year) doubts were raised that it could handle the increased load of students.

Some critics of the development felt that opposition would be futile and that the boards should ask for a gratuity from the developers.

A gratuity is, according to the dictionary, a tip for services. One member of a local board stated that other school districts had asked for as much as \$100 per bedroom and suggested that they do the same if the possibility presents itself. The added \$100

per bedroom cost to the developers is passed on to home buyers in the form of price hikes.

Claims on the part of developers regarding their tax impact would seem to show them contributing nearly three-quarters of a million dollars toward schools.

However, because the development is not scheduled for full completion for ten years and since tax money from the units would not reach the local schools until approximately 30 months following their completion, this figure (\$750,000) would arrive in much smaller parcels than might be expected.

A meeting between developers and school board officials to discuss ways and means of averting the crisis has been proposed, but as of yet nothing has been planned.

# Local Mass Transit System Proposed

In a conversation with Mr. D. D. Jackson, it was learned that a local Mass Transit district has been proposed.

Jackson, temporary spokesman for the fledgling group, stated that the towns of Fox Lake, Hainsville, Round Lake, Round Lake Heights, Round Lake Beach and Round Lake Park had already formed an understanding and were trying to enlist other area towns and villages in their cause.

Speaking on his own as a proponent of the new Greater Lake County Mass Transit District, Jackson said that "no one in Chicago knows our needs."

Currently the city of Chicago through its transit authority (C.T.A.) receives the vast majority of federal and State funds and uses this money to run and expand a short tenacled transit octopus.

Also on the planning boards is C.M.A.T.S., the Chicago Metropolitan Area Transit System, which seeks to consolidate the operations of the many carriers into one regional system.

Jackson felt that C.M.A.T.S., which would be directed by a threeman board; one appointed by the governor, one by the mayor of Chicago and one by the governor from a list of names submitted

to him by the six county members would become a creature of Chicago and not give enough attention to the metropolitan area in general and Lake Co. in particular.

Backing the proposed Greater Lake County Mass Transit District is the Milwaukee Road Railroad. The Milwaukee Road may be eager to leave the unprofitable commuter business.

According to Jackson, the Milwaukee Road is determined to get the project off the ground. He stated that funds for the planning stage of the project would be provided by the railroad.

He said that the proposed Lake County group if joined by enough villages would follow the majority opinion of the body.

One way the system, if enacted, might conduct itself, would be to use its federal grant money to purchase equipment and lease it. He felt that the operation should begin small and work itself larger using its profits. "A high speed rapid transit run between Fox Lake and Chicago, on a limited scale might be one answer," he stated.

The group has sent letters to surrounding villages urging them to send a representative to a special meeting on January 7th at 8:30 p.m. at the Fox Lake State Bank to discuss the matter.

## ILL. Bell Offers "Snip & Take"

Illinois Bell Telephone residential customers can now earn a \$5 credit if they take their telephones with them when they move from one location to another in the company's territory - in Illinois.

A similar plan for the company's territory in Indiana - Lake and a part of Porter counties - is expected to go into effect after the first of the year.

For taking their phones

with them just as they do their furniture, customers will receive a credit of \$5.

W. O. Messner, Illinois Bell's manager in Antioch said it's all part of a program called Snip-and-Take, aimed at reducing phone removal costs and cutting down losses of telephone sets in vacant homes and apartments. The program started December 15 and it applies only to residential

In a brief stopover at the State Bank of Antioch, Santa took time out to draw the names of the winners in the Mexico Fiesta contest. The contest which was sponsored by 12 merchants of Antioch has been in progress for about 6 weeks.

The lucky winners were Ted Schmidt of Kenosha, Wis. who won the trip to Mexico, Herman Wester of Elmhurst, Ill. won the color TV and Joan Larson, Popular Ave., Antioch won the Charmglow Bar-B-Q. The 12 merchants gave the trip to Mexico, the State Bank gave the color TV and Charmglow gave the Bar-B-Q.

## Board Negotiator Pleased at Ratification

Following the recent ratification by the Antioch Teachers Association of their 1971-72 contract many persons have had differing opinions as to the outcome.

Mr. Robert Lindblad, school board negotiator said he was "pleased at the ratification." He termed this the time for the two groups "to get their heads together and out of the clouds" regarding the next contract. Negotiations for the new agreement will begin on March 1st.

Lindblad said that he couldn't "blame the teachers." He stated that the issue boiled down to money, a commodity the teachers wanted, but that the board didn't have to give.

"As far as the board is concerned" he said, the issue now centers on "keeping the school afloat."

With the issuance of

anticipation warrants to the tune of \$250,000 the school will be "a quarter of a million dollars in debt before we start."

According to Lindblad the district needs money or will be forced to cut programs.

The proposed power mechanics course which had been allocated space in the new building is now lacking the funds for equipment that would make the vocational type program a reality.

In one possible austerity move the four year language program may have to be cut back to two year programs.

He said that with the school already in debt there may be the need for a referendum. If so, Lindblad observed that the board would have to study the ways to convince the people and make the referendum successful.

## CHAMBER FINALIZES PLANS FOR ANNUAL DINNER DANCE

Saturday, January 15, 1972 is the date for an enjoyable evening at the Antioch Country Club, Rt. 59 and Grass Lake Road. The cocktail hour begins at 6:30 p.m. and dinner will be served at 7:30 p.m. Entertainment will be provided by George Johnstone who promises to bring back the good, old-fashioned belly-laugh with dancing to Gerry Mumford's Band.

At this time the 1972 officers of the Chamber will be installed. They are President, Hillard Tobieski of the LAKES AREA ADVERTISER; 1st Vice-President, Ray Scarpelli of TERESI CHEV-OLDS; 2nd Vice-President, Julian Dziki of TIFFANY REAL ESTATE; and Secretary-Treasurer, Mrs. Elaine Oftedahl of FROSTEE FOAM COMPANY. The three newly elected members of the Board of Directors will be introduced. They are Dick Ford of ANTIOCH CARPET SALES AND SERVICE, Frederick J. Walpole of ANTIOCH SAVINGS AND LOAN ASSOCIATION, and Don Walsh of WALSH'S ALL SEASON'S, INC. Jack Fields of the STATE BANK OF ANTIOCH will serve as Master of Ceremonies for the evening.

Tickets are available at the Chamber Office between 9 a.m. and noon daily or by calling 395-3381. Tickets are \$7.75 per person and include two cocktails compliments of the ANTIOCH SAVINGS AND LOAN ASSOCIATION, THE FIRST NATIONAL BANK OF ANTIOCH and THE STATE BANK OF ANTIOCH.

Why not make plans now for attending this annual event of the Chamber which is constantly working to improve your community. You need not be a member of the Chamber to attend this community affair.

# Prospect - 72

In a very few days we will help to bring in a New Year. For all of us looking back over 1971 we will remember the good and try to forget the bad. Looking forward we will hope for a good year; one that will be as good as or better than the one past. At this time of year most of us dream of the new year in personal terms, but would it not be wise if each of us consider the new year in terms of ALL the people and what could lie ahead for everyone and what we can do to make 1972 the best year yet.

1972 is going to carry with it some of the problems of 1971 and most likely we will have to face them again. The problem of a growing and expanding community will be the same. Each of us will have to face this problem and do our part to help find the best answers.

Our educational system in Antioch has had its problems this past year, mainly lack of proper funds to operate at a desired level. We turned down two referendums concerning the schools, but both boards have already begun to lay the groundwork to try again sometime in '72. We cannot continue to deprive our schools the funds so desperately needed, but by the same logic we cannot overburden ourselves with taxes to a point where we can not support our family responsibility. An answer must be found and we must help to find it.

This coming year is an election year. To some this means campaign speeches, pre-empted TV time, and all the hoop-La of the campaign trail. We are most happy when it is all over, but are we equally happy when we discover what kind of men we have elected? Certainly you must agree we could have done a better job in the past. Would not it be wise in '72 to look more carefully at the men we elect to run our government - and I mean - at all levels from City Hall to the President of the United States.

On the plus side, the nations economists are beginning to predict to some degree that our economy will be on the up-swing in 1972. The war in Viet-Nam is coming to a slow-down. A lot of things look good and a lot of things need some serious thought.

Let's contemplate a New Year's resolution that we will not only be concerned with our own personal future but will take a greater interest in the future of everyone.

**HAPPY NEW YEAR**

### MC CLORY CONGRESSMAN RECEIVES ACA AWARD

Americans for Constitutional Action have announced that Representative Robert McClory (R-Lake Bluff) has been honored with the association's Distinguished Service Award for his cumulative and continued voting record consistent with the spirit and principles of the U. S. Constitution. Representative Mc Clory is one of 110 Republican Members of the U. S. House of Representative-in addition to 33 Democrats-who is receiving the organization's 1971 Award.

Americans for Constitutional Action is a nationwide non-partisan organization headquartered in Washington, D. C. which is

administered by a Board of Directors consisting of Republicans and Democrats from the 50 states.

In making this year's announcement, the Board President, Charles A. McManus, stated:

"This Biennial Distinguished Service Award is given to those legislators whose voting records support legislation which serves to strengthen and defend the spirit and principles of the Constitution of the United States.

"The Award essentially is bestowed for an outstanding record in the Congress and devotion to those fundamental principles of good Government which serve to promote individual rights and responsibilities; a sound dollar; a growing economy; and a desire for a strong national defense.

"Acceptance of the Award does not imply that the recipient is in complete agreement with all of the principles espoused by ACA nor does it imply any commitment for the recipient to support those principles in the future. It is solely to honor the Member for his dedication to the Constitution of the United States."

Representative McClory has received the ACA Award each year it has been presented since he has served in the United States Congress.

## Drastic Postal Rate Increases

Much has been said about the impact of the proposed drastic second class postal rate increases on certain larger publications. Little has been said of the far-greater impact they may have on rural areas where a great many smaller weekly and daily newspapers are published. For the time being, current price control measures will halt proposed increases in postal rates. But the threat remains.

A North Dakota Congressman observes, "Historically, the postal system was designed to provide a quick and inexpensive distribution of information. Our nation grew dependent upon the postal system to provide a reliable means of communication...in rural America, communities still rely heavily on the Postal Department to maintain this service." In even plainer words, a free press as represented by thousands of independent publications - the nation's daily and weekly newspapers who speak for smaller communities - is threatened with a form of economic censorship that can be every bit as deadly as that of an outright dictatorship.

Questioning the advisability of taxing newspapers out of business via postal rate increases is far more than a special interest issue involving merely the local newspaper. It is an issue of direct concern to the public - freedom of the press.

Navy Fireman Thomas H. Nunn, son of Mr. and Mrs. R. S. Erickson of 382 Lake St., Antioch, Illinois, has graduated from recruit training at the Naval Training Center, Great Lakes, Ill.

He is a 1971 graduate of Antioch Community High School.

### BRUCE CARLSON NAMED TO DEANS LIST

Bruce W. Carlson, freshman at Augustana College, Rock Island, has been named to the Dean's Honor List for the fall quarter. He had a grade point average of 4.00 (straight A's).

Carlson is a son of Mr. and Mrs. Walter H. Carlson, 343 Cedarwood Lane, Antioch.

### DAVID MAIR RECEIVES DEGREE

A total of 401 University of Missouri-Rolla students were awarded degrees at the winter commencement exercises held at 2 p.m. Sunday, December 19, in the Multi-Purpose Building.

Students received bachelor of science, bachelor of arts, master of science and doctor of philosophy degrees. David Clare Mair, of 1022 Osmond, Antioch received a B.A. degree in English.

Speaking at the occasion was Dr. C. Brice Ratchford, president of the University of Missouri. A reception for graduates and their parents was given by UMR Chancellor and Mrs. Merl Baker, the faculty, Student Council and Student Union Board that morning in the Student Union.

All of us, even the members of the under 30 set, look back to a time in history, but more accurately our own lives, when things seemed somehow simpler, less hectic and troublesome.

The "good old days" cannot be accurately pinpointed to a specific time because we all hold a different conception of what, or when they were.

The temptation might seem particularly acute for an individual who has witnessed 50 years of Antioch history unfold.

However, Edmund Vos, operator of the Antioch Lumber Company has gracefully and objectively accepted the changes that time has brought.

"You've got to go with progress," he stated.

Ed, 71, first came to the area in 1921 from Burlington, Wisconsin and began working at the lumber yard that he and his brother, Herbert would buy in a scant four years.

As the recognition of his ability as a businessman grew, so did his stature as a civic leader.

He was the first president and a charter member of the Antioch Lions. He served on the Village Board for 15 years, is a member of the local Chamber, Moose, Knights of Columbus, and is on the Board of Directors of the First National Bank. He and his wife are also members of St. Peter's Church. And this is only a partial listing. A complete resume would probably require the entire page!

He recalled the time when horse and buggys would stretch from the old train depot to Main Street.

"The area was different then," Ed recalled. It was a true resort area, far from the congestion and bustle of Chicago.

Ed Vos

(Staff Photo)

Ed married his wife, Louise, in 1929 and soon will mark another Golden Anniversary. They have one daughter, Luisa, who is married and living in a suburb of Milwaukee.

Throughout the interview, Ed interjected thoughts on the Antioch of the past and present.

He shares his neighbors concern for the growing traffic congestion and parking problems, but took time to reminisce on days gone by.

Hunting and fishing have also been hampered by the growth of the area. The fly way of geese and ducks has moved west, as the once deserted lakes are now almost completely ringed by housing.

Ed recalled with a smile the times that he and a friend would park a Model-T on a

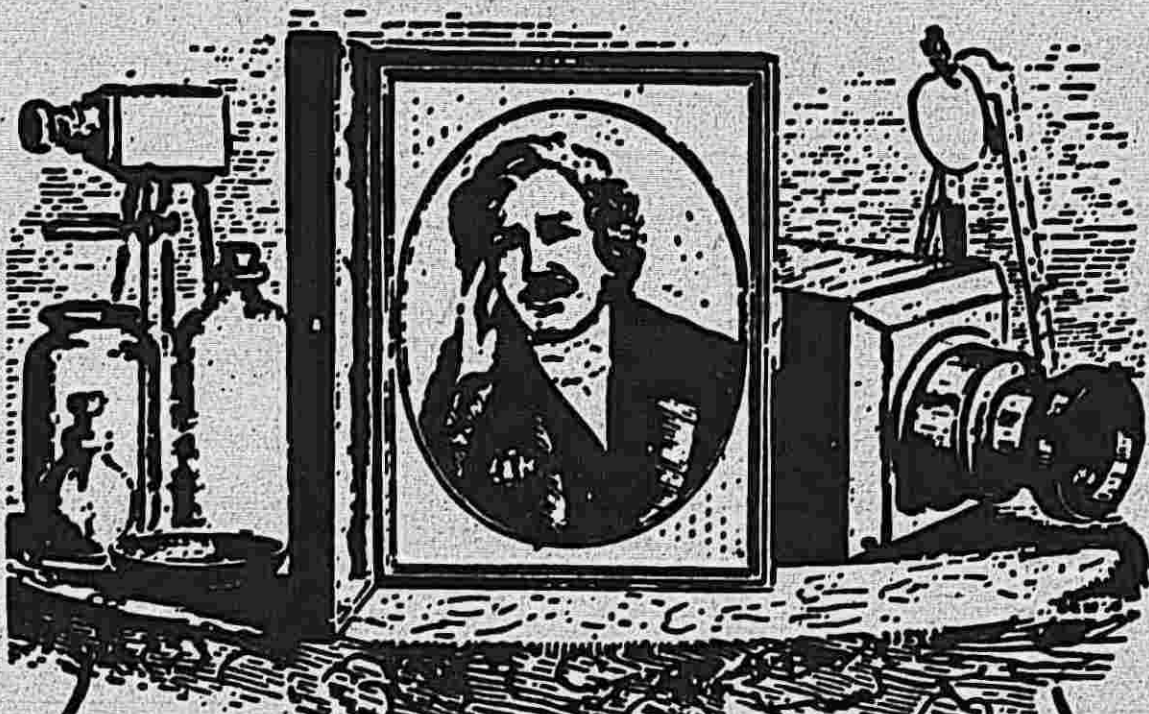

frozen lake and fish through the floorboards.

Change was bound to hit the area, according to Ed. "I can recall the reaction of people when someone predicted, many years back, that there would be a solid metropolitan area from Chicago to Green Bay." While he felt it was years away it is now almost a certainty.

Hunting and fishing are still a great part of Ed, but travel now occupies much of his leisure time. He and his wife have traveled to Europe, Hawaii and the far east in past years and find the trips relaxing and yet stimulating.

Memories and reality are often quantities that prove difficult to integrate, but in the case of this issue's merchant, they have proved compatible.

Progress has seen the Chain-Of-Lakes become built up and many of the longtime tourists look further north in search of their vacation Shangri-La.

## When Should A Man Have His Portrait Made?

There are at least five occasions in the life of every man which should be recorded with fine professional portraits.

Distinguished times which shape the character of a man and leave their marks on his physical appearance. Only fine professional portraits can capture such significant changes and record them for posterity:

1. When the "boy" becomes a man and he begins his life's work.
2. When he's made his mark in business, won his first promotion or taken a positive step upward on his own ladder of success.
3. When fellow citizens honor him through recognition of his leadership qualities or philanthropic acts.
4. When his children leave home to take their own places in the world.
5. When he reaches the "proud years," the realization of jobs well done.

These are times for portraits, to mark these significant events and tell the life of a man to future generations.

If you are approaching one of the milestones, arrange now—before it's too late—to have a fine professional portrait mark the occasion.

It's later than you think!

## Antioch Township Republican Club Holds Christmas Party

The Antioch Township Republican Club's annual Christmas Party for its members was held Saturday night (December 18th) at Steve's Lounge.

Some seventy-six members and their escorts attended this glittering affair to celebrate the holiday season, and understandably, politics was singularly not on the agenda. Only fun and happy conversation.

Present was Antioch's contribution of elected officialdom to local, county, and State government, and included the veteran legislator W. J. "Bill" Murphy and his wife Virginia; Antioch Twp. Supervisor, Lloyd "Red" Murrie and his wife Louise; and Antioch Mayor Ray Toft and his wife Joan.

Also present was Coroner Oscar Lind and his "sweetie-pie" Marge. Don and Fay Deuster were there, too. Don hopes to fill a vacancy in the legislature.

ATRC officials who led the festivities were Elroy Anderson, president; Ray Schreiber and Harry Stern, vice presidents; Bruce McKoy, secretary; Elmer Eberman, treasurer; and Len Case, sergeant at arms. Herb Horton was party chairman, and it turned out to be some party.

For the Ladies Auxillary it was Lillian Olson, president; Louise Murrie, vice president; Sue Horton, secretary; and Lillian Golonka, treasurer. Antioch's angels Bill Brook and his doll Janet capped the smartly attired guest list.

## Along the Way with *Annie Mae*

Well, there is still the mess under the tree, and some exchanging of gifts yet to be done, the weather is like duck soup outside, BUT — WASN'T IT WONDERFUL!!

From all reports I've heard - Santa "did it up right" in Antioch. One little girl I know said "I must have been awfully good last year - I got everything I wanted."

This is the time of year for family gatherings and open houses and getting together with friends. The FRANK KUECHENMEISTERS' had their annual open house on Dec. 26th. Their many friends and neighbors enjoyed the many goodies that are LUCILLE'S specialties such as Pickled mushrooms and Tacos.

Some of the "droper-iners" were HERB AND GEORGIA ELLIS, MR & MRS IRVIN PEDERSEN, CARL AND MILLIE NADR, CAROL AND BILL EFFINGER. And to top it off their daughter KAY was home for the holidays and she had some of her friends in for the festivities.

BILL BLECKE, son of JUNE AND ART BLECKE, of Lake Villa is home for the holidays. Bill is a senior at Valparaiso Ind., majoring in engineering. He is a 1968 graduate of Antioch Community High School.

Despite a very busy day at FLO'S BEAUTY SHOP - on Christmas Eve these gals found time to visit some needy families with goodies that were donated by their customers. Assisting them was SANTA with more goodies and presents sent by the ANTIOCH MENTAL HEALTH ASSOCIATION. It really does your heart good to see the happy faces - even Santa had a tear in his eye.

We have lots of birthdays this week. A couple that are just past are special and go to MARTHA BARNETT who celebrated on December 23rd, and EDDIE BARNETT on the 24th. Also special wishes to JERRI GUTOWSKI on Dec. 28th. We have 3 birthdays on Dec. 30th they are: ELLEN FLINT, ROSEMARY HEVRDEJS, and FRANK BENES III. Hapyps to ROGER DRIJE on Dec. 31. What a way to celebrate New Years Eve! To JOYCE WOODS on Jan. 1, KATHY HALEY on Jan. 2 and JOHN HALY on Jan. 5.

Congratulations to our own CHUCK BECKER. Chuck was installed as a Rotarian just last week. His co-sponsors are BOB MOTTO AND BILL MENDRALA. We are sure Chuck will be an asset to the organization.

From all reports, I could take up the whole page with get well wishes. Seems just about every family has or has had a good case of the flu or colds. The JIM HARVEYS had their bout before Christmas as did the GEORGE PALASKES. DR FRED BOBZIEN just barely made it thru, but is now down, as are the VERNON

BURDICKS. What we need is a good cold snap and have it stay that way. (do I sound like "an old wife")

The gifts under the tree in the First National Bank Lobby were not for the employees. Rather than to exchange gifts among the employees they choose to purchase numerous things for a less fortunate family so that they may have a little Christmas and much help for the coming year.

A big happy birthday was awaiting LOUISE GUTOWSKI on Dec. 26th. Her daughter JULIE, along with brothers JEFF AND JIMMY AND AUNT CEANNA hosted a big surprise birthday party. 26 friends helped her to blow out the candles.

Good luck to our basketball boys in their annual Rockford Holiday Tournament.

Now to make my long long list of New Years resolutions.

HAPPY NEW YEAR  
Annie Mae

GOD, BUT I'M BORED! by Eileen Guder. A book about today's most common affliction-being bored or being a bore, covering all the stages of boredom—from passing ennui caused by routine frustrations to the awful blanket of meaninglessness caused by modern nihilism.

ALGAE by Harold E. Schlichting. An interesting presentation of basic information. Also the significance of algae in a world of population explosion and environmental pollution.

## Rotarians Hold Christmas Party

At noon on January 16th, the Antioch Rotarians held their annual Christmas party at the Brave Bull.

The youngsters were treated to lunch, sang Christmas carols

and later received a gift.

The highlight of the day's activities however, failed to materialize. Ken Mazzuca had the unpleasant task of telling the children that "Santa was earthbound". The man in red

velvet couldn't make the trip because of the lack of snow.

While this was a big disappointment Ken felt that the children had a good time and enjoyed themselves.

With all the claims and gimmicks that are thrust upon us it is indeed refreshing to be greeted by owners who show you around their place of business with relish and pride.  
I learned this as I was given the tour of TONY AND LILL'S.  
The Lammons' don't feature entertainment or gimmicks. They are justly proud of the fine family style food and atmosphere of their restaurant located one mile South of Antioch on Rte 83.  
The menu at TONY AND LILL'S is much more than just adequate. Steaks, seafood, Italian specialties, and pizza are all well prepared and served with true family pride.  
The kitchen at Tony and Lill's specializes in preparing your Filet, Porterhouse or T. Bone to your personal wishes. Prices are very reasonable and the size of the cuts will delight those with a hearty appetite.  
Seafood takes no back seat at this fine family restaurant. Shrimp and lobster of incredible size, along with ocean perch and other sea favorites make the menu well worth trying.  
The Italian background of the Lammons' is evident in their rich selection of Italian food. Mostaccioli, Chicken Cacciatore, Chicken Vesuvio, Veal Scallopine, Veal Parmigiana, and the everpresent Italian spaghetti, made eight different ways, make this portion of the menu a must. A fine relish tray that features Anti-Pasto and other standbys is also available.  
TONY AND LILL'S feature a daily special at very reasonable prices.  
Pizza is a real treat at Tony and Lill's. All the ingredients: dough, sausage, sauce and garnishings are home made and make for a truly fresh pizza.  
Everything on the menu at Tony and Lill's is available for carry out. A phone call in advance will assure you a great dinner at home.  
To go along with their family style atmosphere, the Lammons' have helped to ease the battle of feeding a large family. They offer a special price for family style dinners, up to six, that features a huge platter of food.  
The lounge adjacent to the restaurant features a fine selection of wines of your choice and can fill any of your cocktail requests. Michelob and Lowenbrau head a list of fine premium beers served.  
For fine food served in a warm and inviting family atmosphere, try TONY AND LILL'S.

### "Barefoot" Plays Friday & Saturday Nights at A C C

Neil Simon's BAREFOOT IN THE PARK plays Friday and Saturday nights through January at the Antioch Country Club, Route 59 and Grass Lake Road, Antioch, Illinois.

The production is directed by Ron Mills and stars Pamela Hoxsey, Pat Murphy and Jane

MacIver. Performances are at 8:30 and dining is available before the show.

Prices for dinner and theatre are \$6.15 on Friday and \$7.15 on Saturday. Theatre only is \$2.25 on Friday and \$3.25 on Saturday. The Box office phone number is 395-3000.

### LONNA BURY RECEIVES DEGREE

Approximately 600 baccalaureate and master's degrees were awarded Sunday, Dec. 19, when the University of Wisconsin-Whitewater held its eighth formal mid-year commencement at 2:30 p.m. in Williams Center.

Lonna L. Bury, daughter of Mr. and Mrs. George Bury, 1828 Dering Lane, Lake Villa, was among those receiving a bachelor of science degree. Miss Bury plans to attend graduate school, majoring in the field of child psychology.

### 885 CLUB MEETING PLACE CHANGE

The 885 Club will hold its monthly meeting on Monday, January 3rd at 8:00 p.m. in the Masonic Temple on Main Street, Antioch, Ill.

the Antioch Moose, Troop 92's institutional representative.

Officiating at the Tenderfoot investiture were scouts Dave Edwards and Ralph Sander. Troop Committee Chairman George Hall and Scoutmaster Norm Edwards then presented the following awards earned by the scouts since the last court of honor in August:

Carl Doty, Tenderfoot; Robert Reband, Tenderfoot; Mark Phillips, Tenderfoot; Mark Haley, 1st Class; Dave Edwards, Life Scout:

Graham Bury, 2 merit badges; David Edwards, 2 merit badges; John Green, 2 merit badges; Joe Green, 1 merit badge; Steve Phillips, 1 merit badge.

Some confusion as to protocol arose when Dave Edwards was about to receive his Life Scout Badge. Since his father, Norm Edwards, was one of the presenters his place beside his son had to be taken by his other son, Eagle Scout Don Edwards.

Troop Committee Chairman George Hall then explained the stringent requirements for the rank of Eagle Scout and stated that five Troop 92 scouts earned this badge. All five Eagles were able to attend the Court of Honor and were introduced by Chairman Hall one by one. They are:

Tom Wojnowiak - 1962; Pat Hofkamp - 1962; Major Hill - 1968; Rich Berger - 1969; Dave Edwards - 1969.

Chairman Hall then presented Norm Edwards with the "Troop 92 Eagle Scout Roll of Honor" plaque which will be installed at the Scout House.

After the ceremonies, Santa distributed gifts to all scouts and children attending.

## St. Peter's Choir Spreads Cheer

The 6, 7, and 8th grade choir at St. Peter's School helped to bring a little happiness into a few lives before Christmas.

On December 22nd they sang in front of the Ben Franklin Store. With the generous donations from the evening shoppers, \$53.66 was collected for the Help Them Hope Fund. Ten of Lake

County's poorest families were given a little Christmas and maybe much hope.

The Lake Villa Old People's Home was the choir's stop on Thursday, Dec. 23rd. The people were entertained with the fine old Christmas carols and goodies were passed out.

Christmas will never die as long as it lives in the hearts of our young.

## Women of the Moose

The Women of the Moose held their regular business meeting on Thursday, December 16th.

After the minutes and correspondence was read, the November and December birthday marches were made by Jerri Polson, Marge Hartman, Fran Boxly, Erna Toft, and Lorraine Gerloff.

The New Year's Eve dance will be held from 9:00 p.m. to 1:00 a.m. A four piece band

called The Country Gentlemen will entertain.

The next meeting for the women will be held on January 6th at 8:00 p.m.

### CAROLERS SPREAD JOY

The members of Little Silver Lake Choral Group traversed the roads and byways of the subdivision singing Christmas hymns and carols at the various homes during Christmas week.

We didn't realize the wonderful vocal talent residing in our midst. It was a joy to have them visit us.

## Troop 92 Honors Eagle Scouts

Troop 92 Antioch had much cause to celebrate at their annual Christmas party and Court of Honor of December 11, 1971. Scouting in the United States was instituted on this day and the original founding of Troop 92 occurred in December 30 years ago. (The troop has actually completed 22 years of continuous service as troop activities were suspended

during the war years.)

The Reverend Donald M. Cobb of the Antioch Methodist Church opened the festivities with a very eloquent invocation.

After a delicious buffet served by the Ladies Auxiliary and the presentation of the Colors, Scoutmaster Norm Edwards introduced guests Dick Harlan, Scoutmaster of Troop 91 and Robert Kelly of

## Christian Science Churches

Opening the first service of the new year at Churches of Christ, Scientist, is a Bible lesson-Sermon that emphasizes the need for an intelligent approach to the search for God.

"The time for thinkers has come," a citation to be read from Science and Health with Key to the Scriptures by Mary Baker Eddy states. It continues: "Ignorance of God is no longer the stepping-stone to faith. The only guarantee of obedience is a right apprehension of Him whom to know aright is Life eternal."

One of the Scriptural texts in the Bible Lesson-Sermon on "God" is from Jeremiah: "For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end. Then shall ye call upon me, and ye shall go and pray unto me, and I will hearken unto you. And ye shall seek me, and find me, when ye shall search for me with all your heart."

Services are conducted by Mrs. Evelyn Greer, First Reader, and Mrs. Mary Adams, Second Reader. All are welcome.

## THE CLEVER CLOVERS 4-H CLUB CELEBRATES CHRISTMAS

The Clever Clovers 4-H Club had their Christmas Party December 29th. The reason it was late was because many of the members were ill on the planned date of December 18th.

Luncheon was served after

the members exchanged gifts. Games were enjoyed by all.

In recognizing the true Christmas Spirit, the Clever Clovers made lifesaver dolls for the children in Condell Memorial Hospital.

## THE TRUTH THAT HEALS

JAMES O. MILLER APPOINTED CHRISTIAN SCIENCE COMMITTEE ON PUBLICATION

James O. Miller of Skokie has been appointed Christian Science Committee on Publication for Illinois.

In this capacity he will represent the Church of Christ, Scientist in relations with public officials, news media, and other groups throughout the state. He succeeds Parker W. Thomas of Chicago who passed away on October 21, 1971.

A former educator, the new Committee has devoted his full time to the healing ministry of Christian Science since 1967.

Mr. Miller, a native of Missouri, holds degrees from Central Missouri State College, and the University of Missouri. From 1960 to 1967 he served as assistant principal of the Niles Township High School in Skokie. Prior to that time he was director of guidance services in the Missouri school systems.

Long interested in community affairs, Mr. Miller has been active in Rotary, the Executive's Club of Chicago,

the Chicago Athletic Association, the Wilmette Lodge AF & AM, the Medinah Temple Shriners, and the Skokie Beautification Committee.

A member of First Church of Christ, Scientist, Skokie, Mr. Miller has served as First Reader and chairman of the executive board. For more than ten years he has been a Christian Science Minister for Armed Services Personnel. He has also served as a member of the Christian Science State Institutional Committee for Illinois and as chairman of the North Shore Chapter of Adventures Unlimited, a recreational organization for Christian Science youth.

Mr. Miller has had experience in his new line of work, having served as an Assistant Committee on Publication in both Missouri and Illinois. His Committee on Publication office will be located at 8 South Michigan Avenue, Room 506, Chicago, Ill.

## Obituaries

Mr. DAVID L. HEHN-7 Years old of Salem, Wis. passed away Wednesday, December 22nd from injuries received when he was struck by a car on County Trunk "AH" near Highway No. 83 at Salem. ## American Legion Auxiliary News

The National American Legion and the Auxiliary have been growing increasingly concerned with the problem of prisoners of war (POW) and servicemen missing in action (MIA). Mrs. S. M. Hayes, Waukegan No. 548, District National Security Chairman of the 10th District American Legion Auxiliary, has quoted national Commander John Geiger of Des Plaines, Illinois as stating that the POW'S and servicemen MIA should be given first priority in this program, this coming year. Mrs. Hayes asks "What can we do as a community to help bring these men home? The following is a brief summary of this tragedy together with the plan of the Legion and the Auxiliary for immediate action."

"Often called the forgotten men of the Vietnam War, American prisoners of War and Americans missing in action in south east Asia are treated as war criminals and restrained under barbaric conditions in Pathet Lao, the Viet Cong jungles and Hanoi. Families of nearly 1,500 American servicemen count out the days in horrible uncertainty and anxiety."

"Time is running out for both the prisoner of war and his family. Will our servicemen be able to endure much longer this terrible deprivation of

adequate nourishment to body and soul and the desecrations of human rights and dignity? What can we do to help?

PLEASE write letters to President Richard Nixon, and to U.S. Congressmen reminding them of their responsibility to secure the release of prisoners and an accounting of the missing; to North Vietnam and her allies urging compliance with the Geneva resolutions to which they agreed at the Geneva Convention; send letters to the Paris peace talks; write to religious leaders and newspaper editors; and to the Synod of Bishops now meeting in Rome."

Two of the important addresses for your letters are "Chief Delegate, Provisional Revolutionary Government of Vietnam, Paris Peace Talks, Paris, France"; and the other "Ton Duc Thang, President, Democratic Republic of Vietnam, Hanoi, North Vietnam". (Airmail postage for each is 20 cents).

The U.S. legislators that should be receiving letters from the American people are Senators, the Honorable Adlai Stevenson, Old Senate Bldg., Room 109, Washington, D.C. 20510; and the Honorable Charles Percy, Senate Office Bldg., Room 1200, Washington, D.C., 20515; and U.S. Congressman Robert McClory, Cannon Office Bldg., Room 426, Washington, D. C., 20515.

Some of you may think "my letters won't count" concludes Mrs. Hayes, but the more letters received, the more they are reminded that we Americans are deeply concerned, for our POW'S and the servicemen MIA. Please join with the American Legion and the Auxiliary in sending these all important letters!

Mrs. Sam Pettigrew is the Antioch Unit national security chairman, and she urges Antioch members to participate fully in this vital program.

The Antioch American Legion Auxiliary No. 748 will be holding their regular meeting on January 3rd, at 8:00 p.m., at the Antioch American Legion Home. Meeting will be conducted by President, Mrs. John W. Horan.

## ANTIOCH UNITED METHODIST CHURCH CHANGE IN WORSHIP HOURS

Beginning on January 2, 1972 the Antioch United Methodist Church will have different worship hours.

They are: Sunday School will start at 9:00 a.m. to 9:50 a.m.

Worship Service - 10:00 a.m. to 11:00 a.m.

## A New Club for the Antioch Area

The Antioch Welcome Wagon Newcomers Club which was organized in October 1971 is a new club for the Antioch area. Its purpose is to acquaint new people moving into the area with each other and the community around them.

Since it is a new club, it has a lot of growing to do, both in its membership and activities. Some future activities the club is planning are: bowling parties, bridge or card parties, tennis, homemaking, arts and

crafts, trips to various places and luncheons.

If you are a resident in Antioch area of less than one year and are interested in the Newcomers Club, come to the next meeting on January 5. Meetings are held at the Antioch Methodist Church in room 7, at 8:00 p.m. Meet and get acquainted with other Antioch Newcomers.

A February 2nd luncheon is planned at the Colony House. For further information - call 395-3063 or 395-3975.

## Frosh Matmen Win Grayslake Invitational

On Wednesday, December 22 the Antioch Community High School Freshmen Wrestlers won the first annual Grayslake Invitational Wrestling Tourney. The Sequoits fought back from as low as fifth place, and going into the final round were still losing to McHenry by 2 points. The final round was all Sequoits, and Antioch had won the first - place trophy. The final team scores and Antioch place winners were:

### TEAM SCORES

McHenry .....	80
Grayslake .....	79½
Wauconda .....	74
Grant .....	41
Round Lake .....	31
Ridgewood .....	9
Lake Zurich .....	7

### ANTIOCH PLACE WINNERS

105-D. Kisner .....	Champ
119-T. Lear .....	Champ
138-J. January .....	Champ
112-S. Shaffer .....	2nd place
HWT-R. Coari .....	2nd place
126-J. Riedlinger .....	3rd place
132-S. Olsen .....	3rd place
145-M. Jones .....	3rd place

The individual efforts made by many of the wrestlers in this tourney sure made the difference, pointed out Coach

Wapon. "Tom Kost and Jim January did their usually excellent job of wrestling - by winning championships in their weight classes. David Kisner deserves lots of credit, and just has never learned the meaning of how to quit. His 9-7 championship match victory was a perfect example of what desire to win can do. In my opinion Terry Lear wrestled the three best matches of his life in this tourney. He is thinking more and not forcing the pin. Because of this, he is staying in control and not getting himself into trouble. At heavyweight, Rich Coari wrestled very well - but had to settle for a second to an exceptional McHenry wrestler. Scott Shaffer also wrestled for the championship at 112 pounds, and nearly up-ended Grayslake's number one undefeated wrestler. It was a close match with the final score 5-1 for Straka of Grayslake." Joe Riedlinger, Steve Olsen, and Mike Jones all placed third for the Sequoits, and their efforts helped gain enough team points for Antioch to finish first.

The freshmen Sequoits wrestle a conference match against Lake Forest at Antioch on Friday, January 7 at 6:45 p.m. On Saturday, January 8, the Sequoits travel to Irving Crown for a 1:00 p.m. match.

## Sequoits Rank 5th in Grant Invitational

Antioch's varsity wrestling team went to the Grant Invitational with high hopes, but returned with a disappointing performance, finishing 5th out of 8 teams.

While the Sequoit matmen did not finish high they were still only a short distance from third place.

Coach Ted DeRousse was disappointed with the teams showing, but said that his men "suffered from a lack of experience." He said, "we wrestled well but made some mistakes that really hurt."

While many of the Sequoit matmen did win two or three matches, Keith Larsen was the big winner for Antioch.

In the first round of the tourney he received a bye and

didn't have to wrestle. Then in his second match he beat his opponent from Irving Crown.

The championship match had him pitted against a man who had beaten him earlier in the season.

At the end of the 2nd period Keith was losing by a 4-1 score. He tied it up later in the same period.

Finally, as his opponent was tiring Keith kept the pressure up and pinned him at 5:36 of the final period.

John Roberts came in 2nd at 98 lbs. as did Andy Feldman at 145.

The Sequoits will host conference rival Lake Forest on Friday, January 7th at 6:45.

administration of drugs and medications and as a refresher course for Registered Nurses as well.

"All of the non-credit and credit courses offered by the College of Lake County are listed in the 1972 spring semester schedule. If you have not received a schedule, you may obtain one from the

college office," stated Dr. Garner. "Registration procedures for part-time students who want to enroll in a non-credit course have been simplified this year through the inauguration of telephone registration. To enroll in a non-credit course, call the college at 223-6661 between the hours of 2 and 9 p.m., January 3 through 6. Be prepared to give your social security number, your address, and the name of the course in which you wish to enroll.

## Safe Driving Should Be Everyones Commitment

"A commitment to safe living should be everyone's single most important New Year's resolution," says Jerry Klebe, director of the Safety Commission.

"The friends and relatives of those who abuse the driving privilege," Klebe noted, "should not allow the irresponsible persons to get behind the wheel. Not only is a personal commitment to safety

necessary for the New Year, but all of us should do what we can to keep abusive drinking drivers off the road. We estimate that alcohol is a factor in at least half the traffic-related fatalities that take place in the United States each year."

The three-day New Year's weekend extends from 6:00 p.m. Thursday, Dec. 30 through midnight Sunday, January 2, 1972.

Daily 8 a.m. - 5 p.m. 7 p.m. - 9:30 p.m.

## Frosh Matmen Win Grayslake Invitational

On Wednesday, December 22 the Antioch Community High School Freshmen Wrestlers won the first annual Grayslake Invitational Wrestling Tourney. The Sequoits fought back from as low as fifth place, and going into the final round were still losing to McHenry by 2 points. The final round was all Sequoits, and Antioch had won the first - place trophy. The final team scores and Antioch place winners were:

### TEAM SCORES

Antioch .....	88½
McHenry .....	80
Grayslake .....	79½
Wauconda .....	74
Grant .....	41
Round Lake .....	31
Ridgewood .....	9
Lake Zurich .....	7

### ANTIOCH

#### PLACE WINNERS

98-T. Kost .....	Champ
108-D. Kisner .....	Champ
119-T. Lear .....	Champ
138-J. January .....	Champ
112-S. Shaffer .....	2nd place
HWT-R. Coari .....	2nd place
126-J. Riedlinger .....	3rd place
132-S. Olsen .....	3rd place
145-M Jones .....	3rd place

The individual efforts made by many of the wrestlers in this tourney sure made the difference, pointed out Coach

Wapon. "Tom Kost and Jim January did their usually excellent job of wrestling - by winning championships in their weight classes. David Kisner deserves lots of credit, and just has never learned the meaning of how to quit. His 9-7 championship match victory was a perfect example of what desire to win can do. In my opinion Terry Lear wrestled the three best matches of his life in this tourney. He is thinking more and not forcing the pin. Because of this, he is staying in control and not getting himself into trouble. At heavyweight, Rich Coari wrestled very well - but had to settle for a second to an exceptional McHenry wrestler. Scott Shaffer also wrestled for the championship at 112 pounds, and nearly up-ended Grayslake's number one undefeated wrestler. It was a close match with the final score 5-1 for Straka of Grayslake." Joe Riedlinger, Steve Olsen, and Mike Jones all placed third for the Sequoits, and their efforts helped gain enough team points for Antioch to finish first.

The freshmen Sequoits wrestle a conference match against Lake Forest at Antioch on Friday, January 7 at 6:45 p.m. On Saturday, January 8, the Sequoits travel to Irving Crown for a 1:00 p.m. match.

## Sequoits Rank 5th in Grant Invitational

Antioch's varsity wrestling team went to the Grant Invitational with high hopes, but returned with a disappointing performance, finishing 5th out of 8 teams.

While the Sequoit matmen did not finish high they were still only a short distance from third place.

Coach Ted DeRousse was disappointed with the teams showing, but said that his men "suffered from a lack of experience." He said, "we wrestled well but made some mistakes that really hurt."

While many of the Sequoit matmen did win two or three matches, Keith Larsen was the big winner for Antioch.

In the first round of the tourney he received a bye and

didn't have to wrestle. Then in his second match he beat his opponent from Irving Crown.

The championship match had him pitted against a man who had beaten him earlier in the season.

At the end of the 2nd period Keith was losing by a 4-1 score. He tied it up later in the same period.

Finally, as his opponent was tiring Keith kept the pressure up and pinned him at 5:36 of the final period.

John Roberts came in 2nd at 98 lbs. as did Andy Feldman at 145.

The Sequoits will host conference rival Lake Forest on Friday, January 7th at 6:45.

administration of drugs and medications and as a refresher course for Registered Nurses as well.

"All of the non-credit and credit courses offered by the College of Lake County are listed in the 1972 spring semester schedule. If you have not received a schedule, you may obtain one from the

college office," stated Dr. Garner. "Registration procedures for part-time students who want to enroll in a non-credit course have been simplified this year through the inauguration of telephone registration. To enroll in a non-credit course, call the college at 223-6661 between the hours of 2 and 9 p.m., January 3 through 6. Be prepared to give your social security number, your address, and the name of the course in which you wish to enroll.

## Safe Driving Should Be Everyones Commitment

"A commitment to safe living should be everyone's single most important New Year's resolution," says Jerry Klebe, director of the Safety Commission.

"The friends and relatives of those who abuse the driving privilege," Klebe noted, "should not allow the irresponsible persons to get behind the wheel. Not only is a personal commitment to safety

necessary for the New Year, but all of us should do what we can to keep abusive drinking drivers off the road. We estimate that alcohol is a factor in at least half the traffic-related fatalities that take place in the United States each year."

The three-day New Year's weekend extends from 6:00 p.m. Thursday, Dec. 30 through midnight Sunday, January 2, 1972.

## Waukegan Speedway Changes Rim Size

Promoter Gordon Sill of the Waukegan Speedway has selected Saturday night April 8th as the opening date for the 1972 late model stock car season at the 1/4 mile Waukegan asphalt track.

Sill ran six dates at Waukegan last year in April with good cooperation from the weather and since the track was paved in 1969, only three of 18 scheduled April races have been weathered out.

The biggest rule change for 1972 will be the tire and rim sizes for the late model cars. Starting with the first race of the season, the rim size will be limited to 10 inches in width as

compared to 12 inches for the past two years. The tire size will remain "unlimited"; however the narrower rims will require narrower tires.

Sill said the rim size change was made for the benefit of the race car owners as the narrower tires are less expensive and the 10 inch rim rule will be common at most Chicago area tracks in 1972. Some other tracks further limit the tire sizes, but Waukegan will try to avoid measuring tires and the associated disputes by use of the "unlimited" tire rule.

Sill further points out that Waukegan will require the narrower 10 inch rims on the

## Hockey Program at Hastings "Y"

While eager young hockey fans await the cold weather, it was announced that the Hastings Y.M.C.A. is soon to begin a program of instruction for local boys.

According to Hank Bessler, "Y" Director and Don Walsh, member of the Hastings Board, the aim of the program is to provide a safe, supervised setting for a basic introduction to the sport often termed the "fastest" in the world.

Bessler stated that this was not an attempt to teach the highly technical aspects of the game, such as speed skating or checking, but a means of introducing young boys to the fundamentals and rules of this fast growing sport.

The project will consist of two programs each intended to bring the boys along at their

level on competition.

The first phase will feature iceless hockey for boys from grades 5 and below. The boys will provide their own tennis shoes and play on a gym-type floor. Sticks and pucks, especially designed not to injure young players, along with goal equipment will be provided by the Hastings "Y".

The boys will be grouped into six teams of ten to twelve players and will play for ten weeks on Friday nights from 6:30 to 8:30. There will be a \$5.00 registration fee to cover the cost of insurance.

The second phase of the program will feature ice hockey at the Hastings Y.M.C.A. for boys in grades 6 through 8. The boys will play for ten weeks on Sundays from 2:00 p.m. to 4:00 p.m. Because of space limitations

the size of the six teams will be held at around 10 boys each.

Boys will provide their own equipment and are required for safety to have a helmet, chin and mouth guards and leg guards. The Hastings "Y" will provide goalie equipment and nets. There will be a \$10.00 fee for the ten week course to cover insurance costs.

Registration forms for the two programs can be picked up at Walsh's All Seasons Store in downtown Antioch. The program will begin on Friday January 14th and Sunday January 16th.

This is the first such program run at the Hastings Y.M.C.A. and Don Walsh and Hank Bessler have high hopes that the program will help young boys interested in hockey to safely learn the basics.

## Sequoits in Rockford Tourney

As this weeks edition goes to print the Sequoit Cagers are heading onto the floor at Rockford Boylson High School for the Rockford Holiday Tournament.

The first game will pit the Sequoits against Fulton High School. While Fulton is not one of the tournament favorites, Coach Roger Andrews said he prepared for the game as though it were his most important. A single defeat will relegate a team to the losers bracket.

If the Sequoits should prove victorious on the 28th, they will play the winner of the Auburn-Woodstock Marian game on Wednesday at 3:30 p.m.
